WE INVITE YOU TO BECOME A SUBSCRIBER !

The artist's craft is to express the condition and concerns of the community. The Space Between Theatre Company is dedicated to celebrating our common ground and extended community, and we seek to offer new models of possibility, potential and artistic production. Here is a place for all who are searching for an expanded experience of play and creative work.

It is our intention to create dynamic programs that look beyond traditional theatre. We envision chamber theatre, readings, workshops, film events, "Interface" events that partner with other performing arts, and we offer a stage for the work of new poets and playwrights.

No matter your level of skill or experience, The Space Between Theatre Company has a place and a role for all who come forward with enthusiasm and commitment.

We hope you will join us in creating fearless theatre.
